

How to update my profile

Visit www.b2bendix.com and sign into your account

Go to **My Account** from the top right of the page after logging in

The left panel shows navigation options to make changes to **My Profile**

The main My Profile Page allows for users to change title or passwords by filling out the form and clicking the **Update** button

The screenshot shows the 'My Profile' update interface. On the left is a navigation menu under 'My Account' with options: My Profile (selected), My Address Book, My Orders, My Warranties, My Cores, My Own Part Numbers, My Price List, Logout, and My Company Account (Users). The main form area has a dark blue header 'My Profile'. It contains several input fields: 'Title' (dropdown menu with 'DR' selected), 'First Name' (text box with 'Sonal'), 'Last Name' (text box with 'Dhiman'), 'Current Password*' (password field with 8 dots), 'New Password*' (password field with 8 dots and a strength indicator showing 'Strong'), and 'Confirm New Password*' (empty text box). At the bottom of the form are four buttons: 'Export My Data', 'Close My Account', 'Cancel', and 'Update' (highlighted with a green border).

This screenshot shows a success message 'Your profile has been updated' in a light blue banner. Below the banner is a navigation bar with two tabs: 'My Account' and 'My Profile' (which is the active tab).
